|   | Auth#     | Address              | Cross St      | Cross St      | Location | Comments/Survey                                                                                                                                                                                                                                                                                                                                                                                                                                                          | Est. Clean Time | Division    | LAPD Call Sign | Status   |
|---|-----------|----------------------|---------------|---------------|----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------|-------------|----------------|----------|
| 1 | 191119025 | 731 E 87TH ST, 90002 | S AVALON BLVD | S MCKINLEY PL | ALLEY    | 10 postings, 5 HEs (4 Bulky Item Structures), trash and debris, bulky items. Note: Bulky Item Structures were not posted due to suspicious individuals were seen entering the area. The area was posted throughout the alley. In addition, the western part of the alley (with a truck blocking the entrance) is locked and cleanup crews will need to enter through the eastern section of the alley. DOT needed if cars are blocking the eastern portion of the alley. | 3 HRs           | SOUTHEAST   | CARE324        | Approved |
| 2 | 191116041 | 200 E 94TH ST, 90003 | WALL ST       |               | ALLEY    | 8 postings, 1 HE, trash and debris, bulky items. The eastern section of the alley may not be accessible to vehicles due to the narrowness of the entrance into the alley. Proceed cleanups through the western portion of the alley.                                                                                                                                                                                                                                     | 2 HRs           | SOUTHEAST   | CARE324        | Approved |
| 3 | 191116048 | 225 E 85TH ST, 90003 | WALL ST       |               | ALLEY    | 14 postings, 1 HE, large amounts of trash and debris. There is a fence visible in the near center of the alley. A van was seen parked at the eastern portion of the alley. DOT will be required for towing, if necessary.                                                                                                                                                                                                                                                | 3 HRs           | 77TH STREET | CARE324        | Approved |
